## Welcome to Craigielaw Golf Club

Our drinks list is carefully chosen to give a broad variety of wines, beers, cocktails and spirits. Whether you are looking for the same well-known brands we all love, homemade and locally sourced drinks, or even our very own selection of spirits; we offer something for everyone.

Our whisky list offers the highest quality of drams from the most recognised regions of Scotland, containing some of the most local whisky to Craigielaw, including our very own malts. Wemyss Malts, part of Wemyss Family Spirits, makes up a large portion of the whisky we serve here at Craigielaw. Although whisky is the main focus of the company, their portfolio is growing every year and we intend to continue to showcase everything they have to offer.

Wemyss Family Spirits are marked as (w)

We hope you enjoy your visit!
