

Member Update 3rd December 2020

Dear Member

Evlyn Raistrick, captain thanks the many members who added comments to the Annual Report, including those who she and John Murdoch, vice-captain, met with in the Members Lounge on the Saturday of what should have been the 2020 MLC AGM. A comprehensive list is now in hand of matters arising for the MLC to deal with this next year.

Sadly as well as missing a number of competitions over the Festive Season, it will not be possible to arrange a Craighielaw Xmas donation to the East Lothian Foodbank - should you wish to make a personal donation, details can be found at www.eastlothian.foodbank.org.uk And personally just to wish members, their family and friends a safe and happy Xmas - and a very much better New Year.

Reminder on Tier change and Travel Restrictions

I would remind all members of the current travel restrictions, we would ask all members located in a Tier 3 or 4 location not to visit East Lothian and therefore Craighielaw. We will of course inform members should any changes be applied that ease these restrictions.

Upcoming events

Given the uncertainty over changes to restrictions a decision has been made to cancel the medals during December and also to postpone the Christmas Shotgun event & Winter Fourball until late Winter/early Spring where it is hoped we can run the event with less restrictions.

Christmas Hours of Operation

The following is the planned operation during the Christmas & New Year period, obviously these are subject to any changes in restrictions that may be introduced:
