Comment from Craigielaw Park Residents

Sadly we have received another comment from the residents of Craigielaw Park that golfers are urinating in the vicinity of the properties around the 10th and 11th holes. This behaviour is not acceptable and we would remind all players that there are facilities between our 4th and 16th holes and also the clubhouse facilities can be used after the 9th hole, as well as the facilities at the 11th green. Given the provision of on course facilities there is no reason to see this behaviour.

Junior Team

Congratulations to the Junior team who not only won the East Lothian League this year but also ventured up to Crail to play in the Scottish League finals and won this event as well. Well done to the team of Gregor Thomson, Alexander Yuill, Fraser Walters, Ryan Yuill, Daryl Yuill, and Magnus Braby a great year from a great team.
