

## Members Update 4th January 2021

Firstly, I would like to wish you all a Happy New Year and I hope that everyone is staying safe through these difficult times.

As per the statement from the First Minister this afternoon I must make you aware of the new restrictions in place for playing golf. Play will be limited to 2 players from 2 separate households per tee time (2-balls ONLY). May I also remind members that we will only be accepting tee time bookings from members who reside in East Lothian, any bookings made from out with the area shall unfortunately be removed.

The clubhouse and locker rooms remain closed, with access only available for toilet facilities. Please can I ask that all players report to the pro shop window before play.

Jonathan Porteous
