Golf Course

Over the season we have seen an continued increase in the amount of golf members are playing with the average increase in rounds reaching 65%. This increase comes with some issues and green staff will look to place traffic control measures in place soon, you can also play your part by repairing pitch marks replacing divots and also raking bunkers.

Craigielaw Member Successes

Congratulations to Gabrielle MacDonald who managed to secure her card on the Ladies European Tour after her second win on the LET access tour this season. We look forward to more success on the main Ladies tour in 2022.

The Craigielaw Junior Team won the Scottish National Championships at Crail on Sunday a great performance by Ryan, Daryl, Magnus, Fraser, Alexander and Gregor. Well done to all involved.
