

Members Update

7th October 2022

Course

11th Hole – members playing over the last few days will have seen some work going on at the 11th Hole, contractors and our greens team have been hard at work this week completing a planned redesign to the front of the 11th green area. Work includes:

Filling in the ditch which over the years has not held water effectively and has not been the hazard it was intended to be.

Installing a new drainage line from the pond to the right of the 11th fairway to the left of the 11th fairway where a pumping station removes excess water to prevent flooding.

Install bunkering and re shape the area to the front and right of the green to provide a risk/reward protection to the green.

There are still some jobs to complete including some turfing and the completion of bunker builds so there are some GUR areas to adhere to, I would kindly ask that you follow any guidance in place.

Contractors next week will then move on to clear the pond areas at the 1st hole and south links which have become overgrown with reeds etc.

Members Liaison Committee AGM
2.00pm Saturday 5th November 2022

This is to give notice of the Annual General Meeting of the Members Liaison Committee.

All members of Craigiellaw are invited to attend the AGM of the MLC. The Captains Report 2022 will be distributed and discussed at the AGM. The meeting is a good opportunity to discuss any operational aspects of Craigiellaw, which are of interest to the members.

Minutes of the MLC meeting 22nd August 2022

Please find attached a copy of the minutes of the MLC meeting held on the 22nd August. If you have any issues downloading the minutes, a copy is also available on the link below:
