

## Members Update 25/11/22

### Course

High Traffic and sensitive areas of the course have again been roped off as we move into Winter, this measure is extremely beneficial in protecting areas so they are strong come the Spring. Some of the areas are for traffic management while others will be no play zones. Please note that the no play zones will be clearly marked with GUR signage, where the ropes are used for traffic management play is permitted from these areas. We kindly ask you to respect these roped areas.

Bunker renovation work continues on hole 3 at the moment with a number of other bunkers being re done before Spring. Work to flatten some of the back tees will also be carried out by the team over the Winter period.

### WHS

Extra day cards must be played from the measured course for that set of tees, this does not provide a lot of scope to move teeing areas around to protect against wear and tear through the winter months, therefore players wishing to submit an extra day card for handicap purposes during the months of December, January, February must use the following tees:

Mon-Sun        Green Tees

Sat/Sun        Blue Tees (on Medal weekends only)

### Turkey Trot

Entries are now open for this year's Turkey Trot on Saturday 17<sup>th</sup> December, the format is a 4 player Scramble with a shotgun start at 9.00am from the Blue Tees. Members with playing rights on the main course are eligible to play in the event. As per previous years there will be a prize for the best Christmas outfit. Please call the Pro shop on 01875 870 800 to enter.

### East Lothian Foodbank Donations

Members are invited to make donations of food items through the month of December which will be given to the East Lothian Foodbank. Donations can be made in the pro shop.
