

Member update 8<sup>th</sup> October 2020

Dear Member,

After yesterday's announcement from the First Minister I sadly wish to confirm that the bar, restaurant and lounges will close from Friday afternoon and will not re-open until Monday 26<sup>th</sup> Oct at 8am.

Members will still be able to access the locker rooms, toilets and pro shop during this period. I thank you for your support since re-opening the clubhouse and I hope we can count on your support when re-opening again on the 26<sup>th</sup> Oct.
