Staffing

Since restrictions lifted enough to allow the clubhouse to open we have experienced periods when staffing in some departments has been short, none more so than in the clubhouse. The shortages have been created by a number of factors but predominately down to staff having to self isolate and low interest in our recruitment attempts over the summer. With some of our employees who are at school and university returning to their studies the hours they can commit to have now also dropped. This does mean unfortunately there has been and likely will continue to be some periods where service is not as it should be.

We are currently working with our Clubhouse Manager, Vanessa to make sure key hours are covered and we are also looking at different ways to recruit. Vanessa has created rotas for the next few weeks and I am pleased to say we do have enough staff to cover, that said it will only take one or two issues/self isolation requirements to weaken this cover. It would be a great help, if you wish to use the clubhouse facilities for lunch or dinner to please book a table with the staff, you can call the bar on 01875 870802. In essence the more the staff know about what your requirements are in advance the better we can look after you.

I am sorry to those members who have experienced any slow or poor service over the last few weeks and I do thank the staff for all their hard work trying to cover over the last few months.

Annual Mens Area Team Championship

Congratulations to Craigiellaw members Kenny Glen and Angus Carrick who were part of the victorious Lothians Team in the Mens Area Team Championship, beating the Borders in the final 3.5 to 1.5.

Angus deserves further congratulations on being selected to play for the Scotland team in the R&A Mens Home Internationals currently being played at Hankley Common GC in England.

Edinburgh Summer League Final

The Craigiellaw Mens team very narrowly lost to Duddingston GC in this seasons Edinburgh Summer League Final at Brunstfield last Sunday. It was a tight game and has been a hard fought achievement by the team to make it to the final, well done to all who took part.
