

Members Update 28th August 2020

Club Championship

Congratulations goes to the winners of this years Club Championships. The winner of the A Championship was Kenny Glen who beat Craig Davidson 6&5, and the B Champion was Dean White who beat John Howie 1 up.

Locker room

Due to a change in guidelines we are now able to open up our locker rooms from Mon 31st August. Given this is one of the last parts of the clubhouse to open up you will appreciate just how important it is to follow guidelines in these areas. Cleaners are on site during the Clubhouse opening hours to clean and sanitise the area please allow them access to carry out their duties. I would ask all members to not congregate in the locker rooms and keep social distancing. If the area is busy and social distancing would be difficult please wait in the entrance area until the room is quieter. For the time being the showers will remain closed and no towels will be provided in the locker rooms.

Clubhouse

We are grateful to all the members who have and are still supporting the clubhouse since opening a few weeks ago the support is much appreciated.
