

Members Liaison Committee

November 2019 update

MLC AGM

This years MLC AGM was held in the clubhouse on Sat 9th Nov and saw Gordon Smith stand down from his 2 years captaincy and hand over the captaincy to Evlyn Raistick. I am sure we wish Evlyn all the very best in the role and with a good number of points already on the agenda for the MLC she certainly has a busy start. New to the Committee are Rodney French and John Murdoch.

Course Architect report

I am pleased to say that Craigelaw have asked the original Course Architect, Tom McKenzie to produce a report on the course 20years on from the original design. Tom visited the course last month and many topics and areas were looked at, particularly there was a focus on balancing the challenge of the course with the current SSS for all levels of golfer. We await his report and will circulate Tom's final suggestions in due course.

INTERNATIONAL GOLF COURSE ARCHITECTS

East Lothian Foodbank

Throughout the month of December we will be collecting for the East Lothian Foodbank. Donations can be made in the pro shop and any help is appreciated.

Course Update

After some very wet weather we slipped into winter with some cold frosty nights which has helped to firm up and dry out the site. It is hoped, weather allowing, that another top dress can be applied to smooth out the greens from the coring work carried out at the start of the week. Bunker renovation work has begun, staff are currently working on the greenside bunkers at the 10th hole and will shallowing out the bunkers whilst refacing them. Areas of the course are being roped off as per previous years and we would ask members to respect these areas when playing.
