

Members Update

Course

As we are all aware we are experiencing some extremely dry and hot weather. With little rainfall since the winter the course is the driest it has been for many years. The boreholes and sprinkler system are being used every night with staff hand watering through the day. Whilst we are putting thousands of litres of water onto the course daily it is no substitute for rainfall. We are all crossing our fingers for some rain soon so that we can see some growth throughout the site and have some good coverage as we go into the winter period.

Lothians Champion of Champions final

I am pleased to say that Craigiellaw member Kenny Glen has reached the final of the Lothians Champion of Champions. For any members wishing to go and support Kenny the final will be played this evening at Longniddry Golf Club teeing off at 5pm. Kenny's opponent is Stephen Lamb from Glencorse.

Scottish Mens Amateur Championship

Craigiellaw member Ollie Mukherjee won the Scottish Mens Amateur Championship at the end of July, this great achievement means the title has been won by a Craigiellaw member for the last two years with Angus Carrick securing the title last year.

Volunteers

East Lothian courses have hosted a number of large golfing events this season and Craigiellaw members have played their part by volunteering at the venues. A big thank you to all the members that have given up their time at these events, the competitions simply cannot go ahead without the help of volunteers. Members have helped at the US Kids European Championships in May followed

by the Genesis Scottish Open at Renaissance in July and finishing off at the AIG Womens British Open at Muirfield last week. 2023 will see some of these event return to East Lothian, any members wishing to know more about how to get involved in helping at future events please ask in the golf office.
